PROBABLE CAUSE STATEMENT

On February 17, 2008, defendant **Ramon Alberto ARVIZU-Zamorano** was arrested by the Chula Vista Police Department on a felony warrant. Defendant was then booked into county jail and an Immigration Hold (I-247) was placed pending his release.

On July 24, 2008, defendant was referred to the custody of Immigration and Customs Enforcement (ICE/DRO) for further action. An Immigration Enforcement Agent conducted computer database record checks and reviewed various sources of information confirming the defendant to be a citizen of Mexico having been previously deported or removed from the United States.

A thorough review of official immigration computer database record checks revealed that the defendant, **Ramon Alberto ARVIZU-Zamorano**, had been ordered removed from the United States by an Immigration Judge on January 09, 2007, and removed to Mexico via the San Ysidro, California, Port of Entry on that same day. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System IDENT was utilized and compared the defendant's fingerprints to those contained in this database. The results confirmed the defendant's identity as **Ramon Alberto ARVIZU-Zamorano**, a citizen and national of Mexico.
